Victor LaValle

Late Night With The Devil 2024.jpg
:

[The Devil's Highway](#) Luis Alberto Urrea, 2008-11-16 This important book from a Pulitzer Prize finalist follows the brutal journey a group of men take to cross the Mexican border: the single most compelling, lucid, and lyrical contemporary account of the absurdity of U.S. border policy (The Atlantic). In May 2001, a group of men attempted to cross the Mexican border into the desert of southern Arizona, through the deadliest region of the continent, the Devil's Highway. Three years later, Luis Alberto Urrea wrote about what happened to them. The result was a national bestseller, a Pulitzer Prize finalist, a book of the year in multiple newspapers, and a work proclaimed as a modern American classic.

The Devil in Silver Victor

LaValle, 2013-09-10 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • Publishers Weekly New Hyde Hospital's psychiatric ward has a new resident. It also has a very, very old one. Pepper is a rambunctious big man, minor-league troublemaker, working-class hero (in his own mind), and, suddenly, the surprised inmate of a budget-strapped mental institution in Queens, New York. He's not mentally ill, but that doesn't seem to matter. He is accused of a crime he can't quite square with his memory. In the darkness of his room on his first night, he's visited by a terrifying creature with the body of an old man and the head of a bison who nearly kills him before being hustled away by the hospital staff. It's no delusion: The other patients confirm that a hungry devil roams the hallways

when the sun goes down. Pepper rallies three other inmates in a plot to fight back: Dorry, an octogenarian schizophrenic who's been on the ward for decades and knows all its secrets; Coffee, an African immigrant with severe OCD, who tries desperately to send alarms to the outside world; and Loochie, a bipolar teenage girl who acts as the group's enforcer. Battling the pill-pushing staff, one another, and their own minds, they try to kill the monster that's stalking them. But can the Devil die? *The Devil in Silver* brilliantly brings together the compelling themes that spark all of Victor LaValle's radiant fiction: faith, race, class, madness, and our relationship with the unseen and the uncanny. More than that, it's a thrillingly suspenseful work of literary horror about friendship, love, and the courage to slay our own demons. Praise

for *The Devil in Silver* “A fearless exploration of America’s heart of darkness . . . a dizzying high-wire act.”—The Washington Post “LaValle never writes the same book and his recent is a stunner. . . . Fantastical, hellish and hilarious.”—Los Angeles Times “It’s simply too bighearted, too gentle, too kind, too culturally observant and too idiosyncratic to squash into the small cupboard of any one genre, or even two.”—The New York Times Book Review “Embeds a sophisticated critique of contemporary America’s inhumane treatment of madness in a fast-paced story that is by turns horrifying, suspenseful, and comic.”—The Boston Globe “LaValle uses the thrills of horror to draw attention to timely matters. And he does so without sucking the joy out of the genre. . . . A striking and original American novelist.”—The New Republic

Where the Devil Don't Stay

Stephen Deusner, 2021-09-07 In 1996, Patterson Hood recruited friends and fellow musicians in Athens, Georgia, to form his dream band: a group with no set lineup that specialized in rowdy rock and roll. The Drive-By Truckers, as

they named themselves, grew into one of the best and most consequential rock bands of the twenty-first century, a great live act whose songs deliver the truth and nuance rarely bestowed on Southerners, so often reduced to stereotypes. *Where the Devil Don't Stay* tells the band’s unlikely story not chronologically but geographically. Seeing the Truckers’ albums as roadmaps through a landscape that is half-real, half-imagined, their fellow Southerner Stephen Deusner travels to the places the band’s members have lived in and written about. Tracking the band from Muscle Shoals, Alabama, to Richmond, Virginia, to the author’s hometown in McNairy County, Tennessee, Deusner explores the Truckers’ complex relationship to the South and the issues of class, race, history, and religion that run through their music. Drawing on new interviews with past and present band members, including Jason Isbell, *Where the Devil Don't Stay* is more than the story of a great American band; it’s a reflection on the power of music and how it can frame and shape a larger culture.

Beating the Devil Tony

Earnshaw, 2005 The film’s troublesome production schedule is brought vividly to life through Tony Earnshaw’s enthusiastic style - including new research and original interviews. Earnshaw’s book tracks the film’s development from the original ghost story *Casting the Runes* by M R James through the various shooting scripts, alternative titles, and the challenging production work, to the final theatrical release. Along the way there are anecdotes, analysis and fascinating insights into British movie making in the 1950s, as well as previously unseen production designs by Sir Ken Adam, who went on to create the gadgets and secret bases that helped make the Bond series an international phenomenon. With a comprehensive location guide and biographies of all the onstage and backstage players, *Beating The Devil - the Making of Night of the Demon* is the definitive book on what has been described as *The Casablanca of Horror Films*.

A Little Devil in America Hanif Abdurraqib, 2021-03-30 NATIONAL BOOK AWARD FINALIST • A sweeping, genre-bending “masterpiece”

(Minneapolis Star Tribune) exploring Black art, music, and culture in all their glory and complexity—from Soul Train, Aretha Franklin, and James Brown to The Fresh Prince of Bel-Air, Whitney Houston, and Beyoncé ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The Philadelphia Inquirer, The Dallas Morning News, Publishers Weekly “Gorgeous essays that reveal the resilience, heartbreak, and joy within Black performance.”—Brit Bennett, #1 New York Times bestselling author of The Vanishing Half “I was a devil in other countries, and I was a little devil in America, too.” Inspired by these few words, spoken by Josephine Baker at the 1963 March on Washington, MacArthur “Genius Grant” Fellow and bestselling author Hanif Abdurraqib has written a profound and lasting reflection on how Black performance is inextricably woven into the fabric of American culture. Each moment in every performance he examines—whether it’s the twenty-seven seconds in “Gimme Shelter” in which Merry Clayton wails the words “rape, murder,” a schoolyard fistfight, a

dance marathon, or the instant in a game of spades right after the cards are dealt—has layers of resonance in Black and white cultures, the politics of American empire, and Abdurraqib’s own personal history of love, grief, and performance. Touching on Michael Jackson, Patti LaBelle, Billy Dee Williams, the Wu-Tan Clan, Dave Chappelle, and more, Abdurraqib writes prose brimming with jubilation and pain. With care and generosity, he explains the poignancy of performances big and small, each one feeling intensely familiar and vital, both timeless and desperately urgent. Filled with sharp insight, humor, and heart, A Little Devil in America exalts the Black performance that unfolds in specific moments in time and space—from midcentury Paris to the moon, and back down again to a cramped living room in Columbus, Ohio. WINNER OF THE ANDREW CARNEGIE MEDAL AND THE GORDON BURN PRIZE • FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD AND THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book

The Devil May Dance Jake Tapper, 2021-05-11 Charlie and Margaret discover the dark side of Hollywood in Jake Tapper's follow-up to New York Times bestseller The Hellfire Club—an excellent cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation's capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they’ll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony,

whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood's stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood's power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they've uncovered and can't let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to *The Hellfire Club*.

Devil House John

Darnielle, 2022-01-25 INSTANT NEW YORK TIMES BESTSELLER "It's never quite the book you think it is. It's better." —Dwight Garner, *The New York Times* From John Darnielle, the *New York Times* bestselling author and the singer-songwriter of the Mountain

Goats, comes an epic, gripping novel about murder, truth, and the dangers of storytelling. Gage Chandler is descended from kings. That's what his mother always told him. Years later, he is a true crime writer, with one grisly success—and a movie adaptation—to his name, along with a series of subsequent less notable efforts. But now he is being offered the chance for the big break: to move into the house where a pair of briefly notorious murders occurred, apparently the work of disaffected teens during the Satanic Panic of the 1980s. Chandler finds himself in Milpitas, California, a small town whose name rings a bell—his closest childhood friend lived there, once upon a time. He begins his research with diligence and enthusiasm, but soon the story leads him into a puzzle he never expected—back into his own work and what it means, back to the very core of what he does and who he is. *Devil House* is John Darnielle's most ambitious work yet, a book that blurs the line between fact and fiction, that combines daring formal experimentation with a spellbinding

tale of crime, writing, memory, and artistic obsession.

Before the Devil Fell Neil

Olson, 2019-10-08 In this contemporary ghost story, a man uncovers haunting family secrets—and a hidden tradition of witchcraft—in his New England hometown. College professor Will Connor tries to keep his distance from the village north of Boston where he grew up. But now that he's back to care for his injured mother, he finds himself reexamining a horrific incident that took place years ago during one of his mother's "spirit circles." His mother had embraced the hippie generation's fascination with New Age and the arcane, but the unexpected death of a close friend put an end to the meetings of the modern-day coven. Or so he thought. As Will looks deeper into his family's history he discovers that her practices weren't so much a passing fad but the latest link in a long tradition of New England witchcraft—a tradition that still seems to hold a strange power over the town. Will hopes that unearthing the facts about the death will put his questions to rest, but there are those willing to resort to violence to

keep those secrets buried. "Equal parts engaging and creepy, this twisty tale deftly examines how secrets and regret can continue to reverberate through generations. A suspenseful story that examines how families haunt each other in life and death; possibly too creepy for late-night reading." —Kirkus Reviews

The Devil's Arithmetic Jane Yolen, 1990-10-01 A triumphantly moving book. —Kirkus Reviews, starred review Hannah dreads going to her family's Passover Seder—she's tired of hearing her relatives talk about the past. But when she opens the front door to symbolically welcome the prophet Elijah, she's transported to a Polish village in the year 1942. Why is she there, and who is this Chaya that everyone seems to think she is? Just as she begins to unravel the mystery, Nazi soldiers come to take everyone in the village away. And only Hannah knows the unspeakable horrors that await. A critically acclaimed novel from multi-award-winning author Jane Yolen. [Yolen] adds much to understanding the effects of the Holocaust, which will reverberate throughout history, today

and tomorrow. —SLJ, starred review Readers will come away with a sense of tragic history that both disturbs and compels. —Booklist Winner of the National Jewish Book Award An American Bookseller Pick of the Lists

The Devil She Knows Bill

Loehfelm, 2011-05-24 With *The Devil She Knows*, Bill Loehfelm has written a pitch-black thriller in a fresh, compulsively readable voice, with pages that turn themselves. This is the real deal: a breakout novel by a writer whom Publishers Weekly has praised for his superb prose and psychological insights. Life isn't panning out for Maureen Coughlin. At twenty-nine, the tough-skinned Staten Island native's only excitement comes from . . . well, not much. A fresh pack of American Spirits, maybe, or a discreet dash of coke before work. If something doesn't change soon, she'll end up a lifer at the Narrows, the faux-swank bar where she works one long night after another. But just like the island, the Narrows has its seamy side. After work one night, Maureen walks in on a tryst between her co-worker Dennis and Frank Sebastian, a silver-haired politico.

When Sebastian demands her silence, Maureen is more than happy to forget what she's seen—until Dennis turns up dead on the train tracks the next morning. The murder sends Maureen careening out of her stultifying routine and into fast-deepening trouble. Soon she's on the run through the seedy underbelly of the borough, desperate to stop Sebastian before Dennis's fate becomes her own.

The Hellfire Club Jake

Tapper, 2018-04-24 A young Congressman stumbles on the powerful political underworld of 1950's D.C. in this potent thriller (David Baldacci) and New York Times bestseller from CNN correspondent Jake Tapper. Charlie Marder is an unlikely Congressman. Thrust into office by his family ties after his predecessor died mysteriously, Charlie is struggling to navigate the dangerous waters of 1950s Washington, DC, alongside his young wife Margaret, a zoologist with ambitions of her own. Amid the swirl of glamorous and powerful political leaders and deal makers, a mysterious fatal car accident thrusts Charlie and Margaret into an underworld of

backroom deals, secret societies, and a plot that could change the course of history. When Charlie discovers a conspiracy that reaches the highest levels of governance, he has to fight not only for his principles and his newfound political career...but for his life.

Dance With the Devil Sherrilyn Kenyon, 2010-04-01 Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone...not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see

straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?

Night of the Devil: War Picture Library Hugo Pratt, Tom Tully, 2021-02-16 Night of the Devil by comics legend Hugo Pratt is the fourth in a major series of new collections - joining the War Picture Library's mission to bring all of the long-lost UK of war comics master artists back into print. A rare chance to see one of the undisputed greats of the comic book medium growing into the full strength of his talents. - Hollywood Reporter In Night of the Devil, take a hallucinatory trip through the oppressive heat of the Burmese jungle along with British soldiers engaged in desperate skirmishes with the enemy. In Bayonet

Jungle, Private Jack Green's presence is seen as an omen of bad luck but he struggles to prove himself to the experienced soldiers of Third Platoon as they fight against the Japanese army that surrounds them. Two exciting and explosive war stories lushly illustrated by Hugo Pratt, comics legend and creator of iconic character, Corto Maltese. Praise for previous War Picture Library volumes: Lives up to expectations - both in story and art. - Downthetubes There is no doubt that Battle Stations, and the titles following it, are sure to find their home among modern comic fans once again. - The Beat

Devil in a Blue Dress Walter Mosley, 1990 Private detective Easy Rawlins looks for a gangster's girlfriend in 1940s L.A.

Night of the Devil David Stout, 2003 On the evening of Sunday, August 25, 1963, a group of revelers drove into the small town of Lodi, New Jersey, bound for a local tavern called the Angel Lounge. Hours later, bullets ripped through the smoky air of the bar. When the carnage ended, two Lodi police officers were dead. Their killers

had escaped. The close-knit community of Lodi, shattered by the crime, would never be the same. Nor would the families of the victims: Sergeant Peter Voto, who left behind a wife and three children, and 22-year-old Gary Tedesco, whose career in law enforcement had barely begun when his life was brutally cut short. The people of Lodi vowed that the killers would pay for what they had done. One of the hoodlums was shot and killed two days after the murders. The other, Thomas Trantino, was imprisoned and sentenced to die for his crime. But Trantino would not be put to death in New Jersey; nor would he spend the rest of his life in prison. After being incarcerated for almost 40 years, and earning the distinction of being the longest-serving prisoner in the New Jersey penal system, Thomas Trantino ultimately walked out of prison a free man.

[Apathy for the Devil](#) Nick Kent, 2010-03-04 Pitched somewhere between Almost Famous and Withnail & I, *Apathy for the Devil* is a unique document of this most fascinating and troubling of decades - a story of inspiration, success and serious burn

out. As a 20-something college dropout Nick Kent's first five interviews as a young writer were with the MC5, Captain Beefheart, The Grateful Dead, Iggy Pop and Lou Reed. Along with Charles Shaar Murray and Ian MacDonald he would go on to define and establish the NME as the home of serious music writing. And as apprentice to Lester Bangs, boyfriend of Chrissie Hynde, confidant of Iggy Pop, trusted scribe for Led Zeppelin and the Rolling Stones, and early member of the Sex Pistols, he was witness to both the beautiful and the damned of this turbulent decade.

Up Jumped the Devil Bruce Conforth, Gayle Dean Wardlow, 2019-06-04 The Penderyn 2020 Music Book Prize (UK edition) Living Blues Critics Choice Best Blues Book of 2019 Living Blues Readers Choice Best Blues Book of 2019 Certificate of Merit in the Best Historical Research in Recorded Blues, Soul, Gospel, or R&B category from ARSC (Association for Recorded Sound Collections) An essential story of blues lore, black culture, and American music history Robert Johnson's recordings,

made in 1936 and 1937, have profoundly influenced generations of singers, guitarists, and songwriters. Yet until now, his short life—he was murdered at the age of 27—has been poorly documented. Gayle Dean Wardlow has been interviewing people who knew Johnson since the early 1960s, and he was the person who discovered Johnson's death certificate in 1967. Bruce Conforth began his study of Johnson's life and music in 1970 and made it his mission to fill in what was still unknown about him. In this definitive biography, the two authors relied on every interview, resource, and document, much of it material no one has seen before. This is the first book about Johnson that documents his lifelong relationship with family and friends in Memphis, details his trip to New York, uncovers where and when his wife Virginia died and the impact this had on him, fully portrays the other women Johnson was involved with and tells exactly how and why he died and who gave him the poison that killed him. *Up Jumped the Devil* will astonish blues fans worldwide by painting a living, breathing portrait of a

man who was heretofore little more than a legend.

Moondust Andrew

Smith, 2006-04-04 In 1999, Andrew Smith was interviewing Charlie Duke, astronaut and moon walker, for the Sunday Times. During the course of the interview, which took place at Duke's Texan home, the telephone rang and Charlie left the room to answer it. When he returned, some twenty minutes later, he seemed visibly upset. It seemed that he'd just heard that, the previous day, one of his fellow moon walkers, the astronaut Pete Conrad, had died. The more Charlie spoke the more Andrew realised that his grief was something more than the mere fact of losing a friend. 'Now there's only nine of us,' he said. Only nine. Which meant that, one day not long from now, there would be none, and when that day came, no one on earth would have known the giddy thrill of gazing back at us from the surface of the moon. The thought shocked Andrew, and still does. *Moondust* is his attempt to understand why. The Apollo moon programme has been called the last optimistic act of the 20th Century. Over a strange three

year period between 1969 and 1972, twelve men made the longest and most eccentric of all journeys, and all were indelibly marked by it. In *Moondust* Andrew sets out to interview all the remaining astronauts who walked on the moon, and to find out how their lives were changed for ever by what had happened. 'Where do you go after you've been to the moon?' In addition to this question that would prove hugely troubling to many of the returned astronauts, they also had to deal with the fantasies of faceless millions at their backs, for this was the first truly global media event. The walkers would forever be caught between the gravitational pull of the moon and the earth's collective dreaming.

Lie Down with the Devil Linda Barnes, 2008-08-05 Bestseller and multiple award-winning author Linda Barnes returns with the most personal case to date for her popular Boston PI, Carlotta Carlyle. Carlotta, in unfamiliar territory working on her own behalf, finds herself in the middle of a complicated case that has as much to do with the people she loves as the backstreets of Boston, and beyond. For

starters, Carlotta wants to know what her on-again, off-again boyfriend Sam Gianelli did to earn himself a secret indictment for murder that's keeping him out of the country. A man with plenty of secrets, he won't tell her anything, much less let her help, and she isn't having any more luck with her old friends at the Boston PD. Sam's exile could be connected to the mob—he is in the family—but she's not buying it. It couldn't be that simple. Nothing involving Sam ever is. Faced with nothing but dead ends, Carlotta goes back to basics and takes a case for a nervous bride-to-be who wants to make sure her fiancé is being faithful. Simple enough, but when her client turns up dead, Carlotta catches the kind of break she wished she hadn't. While nothing is as it seems in *Lie Down with the Devil*, one thing is clear: Readers know that when they're reading Linda Barnes, they're in the hands of a maestro.

[Confessions of a Late-night Talk-show Host](#) Garry Shandling, 1999 *CONFESSIONS OF A LATE-NIGHT TALK-SHOW HOST* is written by the host of *THE LARRY SANDERS SHOW*.

It is a double whammy of satire, irreverently told in Garry Shandling's inimitable style which deftly weaves together fact and fiction. This is an exclusive up-close-and-personal inspection of what makes Larry Sanders tick: his loves, his addictions, his friends and his enemies. This will be the Hollywood tell-all to end all Hollywood tell-alls; indeed, Larry Sanders might never be able to eat lunch in that town again!
