Adman's Dilemma Paul Rutherford, 2018-01-01 The Adman's Dilemma is a cultural biography that explores the rise and fall of the advertising man as a figure who became effectively a licensed deceiver in the process of governing the lives of American consumers. Apparently this personage was caught up in a contradiction, both compelled to deceive yet supposed to tell the truth. It was this moral condition and its consequences that made the adman so interesting to critics, novelists, and

eventually filmmakers. The biography tracks his saga from its origins in the exaggerated doings of P.T. Barnum, the emergence of a new profession in the 1920s, the heyday of the adman's influence during the post-WW2 era, the later rebranding of the adman as artist, until the apparent demise of the figure, symbolized by the triumph of that consummate huckster, Donald Trump. In *The Adman's Dilemma*, author Paul Rutherford explores how people inside and outside the advertising industry have understood the conflict between artifice and authenticity. The book employs a range of fictional and nonfictional sources, including memoirs, novels, movies, TV shows, websites, and museum exhibits to suggest how the adman embodied some of the strange realities of modernity.

The Case for Heaven Lee Strobel, 2021-09-14 Bestselling and

award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking

at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

Pop Icons and Business Legends

Hank Moore, 2016-02-23 A unique and fresh perspective on how to achieve business success based on the careers of modern history's greatest pop figures. Stroll through the past and discover the fusion of pop culture and business. From Walt Disney to Bill Gates, from Burt Bacharach to Howard Hughes, from Steven Spielberg to John

D. Rockefeller, and from Col. Harland Sanders to Steve Jobs, this is the comprehensive study of pop icons, historical innovations, and business pioneers. In *Pop Icons and Business Legends*, legendary business advisor and former presidential speech writer Hank Moore embraces the past as a roadmap to the future. This is history, cultural enlightenment, and business innovation, all rolled in one, plus a dynamic panorama of non-profit and humanitarian contributions to society. "How can one person with so much insight into cultural history and nostalgia be such a visionary of business and organizations? Hank Moore is one of the few who understands the connection." —Dick Clark, TV icon "Hank Moore's *Business Tree™* is the most original business model of the last 50 years." —Peter Drucker, business visionary

Roman Imperial Coinage.

Volume I CHV Sutherland, 2018-08-01 Dr CHV Sutherland was for many years Keeper of the Heberden Coin Room in the Ashmolean Museum, with a special interest in the Julio-Claudian emperors and their coinage from 31 BC to AD 69.

From 1939 he was co-editor and part-author of *Roman Imperial Coinage*, successively, with Harold Mattingly and EA Sydenham, and with RAG Carson, devoting years to the fundamental revision and rewriting of Mattingly and Sydenham's original Volume I (1923) of the series, published in 1984. (NP) Sutherland's revised Volume I has been out of print now for some years, but his study of the Julio-Claudian coinage, being the formative period of the long imperial series, is made newly available by Spink in this handsome reprint.

Spencer Tracy James

Curtis, 2012-03 During his lifetime, Spencer Tracy was known as Hollywood's 'actor's actor'. Critics wrote that what Olivier was to theatre, Tracy was to film. Over his career he was nominated for nine Academy Awards, and won two. But there has been no substantial, intimate biography of the man, until now. From his earliest days in stock theatre, Tracy was a publicist's trial, guarding his private life fiercely. Most of the people associated closely with him shunned the limelight - notably his wife, his

children and the great actress Katharine Hepburn, with whom he had an affair that lasted over 26 years. Although his screen roles often depicted a happy, twinkling Irishman, Tracy struggled with alcoholism to the end, a fact which the studios managed to keep out of the papers. With the help of Tracy's daughter, Susie, and access to previously unseen papers, James Curtis has now produced the definitive biography of a tortured, complex and immensely talented man. The book contains 124 integrated photos, many published for the first time.

The Supernatural Revamped

Barbara Brodman, James E. Doan, 2016-04-20 This book is the logical continuation of a series of collected essays examining the origins and evolution of myths and legends of the supernatural in Western and non-Western tradition and popular culture. The first two volumes of the series, *The Universal Vampire: Origins and Evolution of a Legend* (Fairleigh Dickinson University Press, 2013) and *Images of the Modern Vampire: The Hip and the Atavistic*. (Fairleigh Dickinson University Press, 2013)

focused on the vampire legend. The essays in this collection expand that scope to include a multicultural and multigeneric discussion of a pantheon of supernatural creatures who interact and cross species-specific boundaries with ease. Angels and demons are discussed from the perspective of supernatural allegory, angelic ethics and supernatural heredity and genetics. Fairies, sorcerers, witches and werewolves are viewed from the perspectives of popular nightmare tales, depictions of race and ethnicity, popular public discourse and cinematic imagery. Discussions of the “undead and still dead” include images of death messengers and draugar, zombies and vampires in literature, popular media and Japanese anime.

Lost Legends: The Rise of Flynn Rider Disney Books, 2021-09-21 The first book in a new middle grade series that features the adventures of Disney's most loveable roguish heroes as kids! “You know the great thing about beginnings? It means we're only getting started.” ? Flynnigan Rider and the Hunt for the Red Pearl Twelve-year-old Eugene Fitzherbert needs a plan. It's

not that he doesn't love his time in the orphanage that raised him? Miss Clare and the boys are his family. As is his best friend, Arnie, with whom he's often in cahoots, acting out passages from his favorite Flynnigan Rider books, or pretending they're Lance Archer, the iconic thief who takes from the rich to give to the poor. But Eugene knows that most orphans his age set off to make their own way, and the orphanage already doesn't have the means to support them all. Besides, he wants to see the world with Arnie, and maybe, just maybe find his parents someday. So when a traveling circus comes to the kingdom promising a life of adventure, brotherhood, and riches, Eugene jumps at the chance to join them. He even convinces Arnie to come too. But soon it becomes clear that there's more to this ragtag crew than meets the eye, and they may have a dubious plot in the works. It'll take new heroes? namely, Flynn Rider and Lance Strongbow, to save the day. Filled with adventure and fun, the *Lost Legends* series explores the untold origins of Disney's most infamous rogue boys.

[The Boys in the Boat \(Movie Tie-In\)](#)

Daniel James Brown, 2023-12-05 The inspiration for the Major Motion Picture Directed by George Clooney—exclusively in theaters December 25, 2023! The #1 New York Times bestselling true story about the American rowing triumph of the 1936 Olympics in Berlin—from the author of Facing the Mountain For readers of Unbroken, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington’s eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain

his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys’ own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man’s personal quest.

Arthrogryposis Lynn T. Staheli, 1998-04-28 The term arthrogryposis describes a range of congenital contractures that lead to childhood deformities. It encompasses a number of syndromes and sporadic deformities that are rare individually but collectively are not uncommon. Yet, the existing medical literature on arthrogryposis is sparse and often confusing. The aim of this book is to provide individuals affected with arthrogryposis, their families, and health care professionals with a helpful guide to better understand the condition and its therapy. With this goal in mind, the editors have taken great care to ensure that the presentation of complex clinical information is at once scientifically accurate, patient oriented,

and accessible to readers without a medical background. The book is authored primarily by members of the medical staff of the Arthrogryposis Clinic at Children's Hospital and Medical Center in Seattle, Washington, one of the leading teams in the management of the condition, and will be an invaluable resource for both health care professionals and families of affected individuals.

Heart of the Moors Holly Black, 2019-10-08 From New York Times bestselling author Holly Black comes a captivating original novel set between Disney's Maleficent and Maleficent: Mistress of Evil, in which newly-queened Aurora struggles to be the best leader to both the humans and Fair Folk under her reign; her beau, Prince Phillip, longs to get to know Aurora and her kingdom better; and Maleficent has trouble letting go of the past.

The Craft and Science of Coffee Britta Folmer, 2016-12-16 The Craft and Science of Coffee follows the coffee plant from its origins in East Africa to its current role as a global product that influences millions of lives though

sustainable development, economics, and consumer desire. For most, coffee is a beloved beverage. However, for some it is also an object of scientific study, and for others it is approached as a craft, both building on skills and experience. By combining the research and insights of the scientific community and expertise of the crafts people, this unique book brings readers into a sustained and inclusive conversation, one where academic and industrial thought leaders, coffee farmers, and baristas are quoted, each informing and enriching each other. This unusual approach guides the reader on a journey from coffee farmer to roaster, market analyst to barista, in a style that is both rigorous and experience based, universally relevant and personally engaging. From on-farming processes to consumer benefits, the reader is given a deeper appreciation and understanding of coffee's complexity and is invited to form their own educated opinions on the ever changing situation, including potential routes to further shape the coffee future in a responsible manner. - Presents a novel synthesis of coffee research and real-

world experience that aids understanding, appreciation, and potential action - Includes contributions from a multitude of experts who address complex subjects with a conversational approach - Provides expert discourse on the coffee value chain, from agricultural and production practices, sustainability, post-harvest processing, and quality aspects to the economic analysis of the consumer value proposition - Engages with the key challenges of future coffee production and potential solutions

The Shadow / Batman #1 Steve Orlando, 2017-10-04 The World's Greatest Mystery. The World's Greatest Detective. They can barely stand each other, so how will they possibly deal with the World's Greatest Evil? What legacy can two of the world's most enduring icons of justice leave once they discover an ancient evil has been living inside the world they protect for centuries, attached to its heart. Can Batman and the Shadow save the world without killing it in the process? Writer Steve Orlando (Batman/The Shadow, Justice League of America) and artist by Giovanni Timpano (The Shadow,

Transformers) unite to tell an instantly classic tale of noir, mortality and generational heroes and villains.

Trejo Danny Trejo, Donal Logue, 2021-07-06 INSTANT NEW YORK TIMES BESTSELLER "If you're a fan like I am this is definitely the book for you." —Pete Davidson, actor, producer, and cast member on Saturday Night Live "Danny's incredible life story shows that even though we may fall down at some point in our lives, it's what we do when we stand back up that really counts." —Robert Rodriguez, creator of Spy Kids, Desperado, and Machete Discover the full, fascinating, and inspirational true story of Danny Trejo's journey from crime, prison, addiction, and loss—it's "enough to make you believe in the possibility of a Hollywood ending" (The New York Times Book Review). On screen, Danny Trejo the actor is a baddie who has been killed at least a hundred times. He's been shot, stabbed, hanged, chopped up, squished by an elevator, and once, was even melted into a bloody goo. Off screen, he's a hero beloved by recovery communities and obsessed fans alike.

But the real Danny Trejo is much more complicated than the legend. Raised in an abusive home, Danny struggled with heroin addiction and stints in some of the country's most notorious state prisons—including San Quentin and Folsom—from an early age, before starring in such modern classics as *Heat*, *From Dusk till Dawn*, and *Machete*. Now, in this funny, painful, and suspenseful memoir, Danny takes us through the incredible ups and downs of his life, including meeting one of the world's most notorious serial killers in prison and working with legends like Charles Bronson and Robert De Niro. An honest, unflinching, and "inspirational study in the definition of character" (Kevin Smith, director and actor), Trejo reveals how he managed the horrors of prison, rebuilt himself after finding sobriety and spirituality in solitary confinement, and draws inspiration from the adrenaline-fueled robbing heists of his past for the film roles that made him a household name. He also shares the painful contradictions in his personal life. Although he speaks everywhere from prison yards to NPR about his past

to inspire countless others on their own road to recovery and redemption, he struggles to help his children with their personal battles with addiction, and to build relationships that last. Redemptive and painful, poignant and real, Trejo is a portrait of a magnificent life and an unforgettable and exceptional journey.

100 Things to Do in Wichita Before You Die Vanessa Whiteside, 2022-05-15 Wichita, aka "Doo-Dah," is a midsize city with attractions that easily rival the nation's largest metropolises in entertainment value.
