Undercover Jihadi Bride Anna Erelle, 2016-02-11

Previously published as 'In the Skin of a Jihadist' Twenty-year-old 'Mélodie', a recent convert to Islam, meets the leader of an ISIS brigade on Facebook. In 48 hours he has 'fallen in love' with her, calls her every hour, urges her to marry him, join him in Syria in a life of paradise - and join his jihad. Anna Erelle is the undercover journalist behind 'Melodie'. Created to investigate the powerful propaganda weapons of Islamic State, 'Melodie' is soon sucked in by Bilel, right-hand man of the infamous Abu Bakr al-Baghdadi. An Iraqi for whose capture the US government has promised \$10 million, al-Baghdadi is described by Time Magazine as the most dangerous man in the world and by himself as the caliph of Islamic State. Bilel shows off his jeep, his guns, his expensive watch. He boasts about the people he has just killed. With Bilel impatient for his future wife, 'Melodie' embarks on her highly dangerous mission, which - at its ultimate stage - will go very wrong ... Enticed into this lethal online world like hundreds of other young people, including

many young British girls and boys, Erelle's harrowing and gripping investigation helps us to understand the true face of terrorism.

Dallas 1963 Bill Minutaglio, Steven L. Davis, 2013-05-28
In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breathtakingly paced, Dallas 1963 presents a clear, cinematic, and revelatory look at the shocking tragedy that transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to

explain Dallas-until now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. Dallas 1963 is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation. Winner of the PEN Center USA Literary Award for Research Nonfiction Named one of the Top 3 JFK Books by Parade Magazine. Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast. Named one of the Top Nonfiction Books of 2013 by Kirkus Reviews.

Live Fast Die Hot Jenny Mollen, 2017-06-27 *A NEW YORK TIMES HUMOR BESTSELLER* By the author of *I Like You Just the Way I Am* and a frequent Chelsea contributor, an outrageous collection of personal stories about motherhood, responsibility, and other potential disasters. Jenny Mollen is a writer and actress living in New York. Until recently, her life was exciting, sexy, a little eccentric, and one hundred percent impulsive. She had a husband who embraced her crazy—who understood her need to occasionally stalk around the house in his ex-girlfriend's old beach caftans and to invite their drug dealer to Passover seder (so he wouldn't feel like they were using him only for drugs). Then they had their son, Sid, and overnight, Jenny was forced to grow up: to be responsible, to brush her hair, to listen to her voicemail. Searingly funny and surprisingly affecting, *Live Fast Die Hot* is a collection of stories about what happens when you realize that some things are more important than crafting the perfect tweet—and a reminder that even if you never thought you were cut out for parenting, at least you can be better at it than your mother.

Mistaken identities, overblown egos, double entendres, and a lap dog named Mr. Boodles round out this hilarious riot of a love note to the classic farces of the 30s and 40s.

The Cigarette Papers Stanton A. Glantz,1996 These documents provide a shocking inside account of the activities of one tobacco company, Brown & Williamson, and its multinational parent, British American Tobacco, over more than thirty years.

Tobacco War Stanton A. Glantz,Edith D. Balbach,2000-05-10 Tobacco War charts the dramatic and complex history of tobacco politics in California over the past quarter century. Beginning with the activities of a small band of activists who, in the 1970s, put forward the radical notion that people should not have to breathe second-hand tobacco smoke, Stanton Glantz and Edith Balbach follow the movement through the 1980s, when activists created hundreds of city and county ordinances by working through their local officials, to the present--when tobacco is a highly visible issue in American politics and smoke-free restaurants and bars are a reality throughout the state. The authors show how these accomplishments rest on the groundwork laid over the past two decades by tobacco control activists who have worked across the U.S. to change how people view

the tobacco industry and its behavior. Tobacco War is accessibly written, balanced, and meticulously researched. The California experience provides a graphic demonstration of the successes and failures of both the tobacco industry and public health forces. It shows how public health advocates slowly learned to control the terms of the debate and how they discovered that simply establishing tobacco control programs was not enough, that constant vigilance was necessary to protect programs from a hostile legislature and governor. In the end, the California experience proves that it is possible to dramatically change how people think about tobacco and the tobacco industry and to rapidly reduce tobacco consumption. But California's experience also demonstrates that it is possible to run such programs successfully only as long as the public health community exerts power effectively. With legal settlements bringing big dollars to tobacco control programs in every state, this book is must reading for anyone interested in battling and beating the tobacco industry.

Queer X Design Andy Campbell,2019-05-07 The first-ever illustrated history of the iconic designs, symbols, and graphic art representing more than 5 decades of LGBTQ pride and activism. Beginning with pre-liberation and the years before the Stonewall uprising, spanning across the 1970s and 1980s and through to the new millennium, Queer

X Design celebrates the inventive and subversive designs that have powered the resilient and ever-evolving LGBTQ movement. The diversity and inclusivity of these pages is as inspiring as it is important, both in terms of the objects represented as well as in the array of creators; from buttons worn to protest Anita Bryant, to the original 'The Future is Female' and 'Lavender Menace' t-shirt; from the logos of Pleasure Chest and GLAAD, to the poster for Cheryl Dunye's queer classic *The Watermelon Woman*; from Gilbert Baker's iconic rainbow flag, to the quite laments of the AIDS quilt and the impassioned rage conveyed in ACT-UP and *Gran Fury* ephemera. More than just an accessible history book, *Queer X Design* tells the story of queerness as something intangible, uplifting, and indestructible. Found among these pages is sorrow, loss, and struggle; an affective selection that queer designers and artists harnessed to bring about political and societal change. But here is also: joy, hope, love, and the enduring fight for free expression and representation. *Queer X Design* is the potent, inspiring, and colorful visual history of activism and pride.

Emergency Sex (And Other Desperate Measures) Andrew Thomson, Heidi Postlewait, Kenneth Cain, 2011-05-31 What it's really like on the frontline of humanitarian aid It's the early 1990s and three young people are looking to change their lives, and perhaps also the world. Attracted to the ambitious global peacekeeping work of the UN, Andrew, Ken and Heidi's paths cross in Cambodia, from where their fates are to become inextricably bound. Over the coming years, their stories interweave through countries such as Rwanda, Bosnia, Somalia and Haiti - war-torn, lawless places where

the intervention of the UN is needed like nowhere else. Driven by idealism, the three struggle to do the best they can, caught up in an increasingly tangled web of bureaucracy and ineffectual leadership. As disillusionment sets in, they attempt to keep hold of their humanity through black humour, revelry and 'emergency sex'. Brutal and moving in equal measure, *Emergency Sex (And Other Desperate Measures)* explores pressing global issues while never losing a sense of the personal. Deeply critical of the West's indifference to developing countries and the UN's repeated failure to intervene decisively, the book provoked massive controversy on its initial publication. Kofi Annan called for the book to be banned, and debate was sparked about the future direction of the UN. Brilliantly written and mordantly funny, it is a book that continues to make waves.
