The Case for Heaven Lee Strobel,2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death

is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

Steven Spielberg and Duel Steven Awalt,2014-03-14 Since the early 1970s, Steven Spielberg has directed more than two dozen films, many of which have achieved classic status. In addition to critical and commercial successes that include E.T. the Extra-Terrestrial, Schindler's List, Saving Private Ryan, and Lincoln, Spielberg's name has become synonymous with such thrilling adventure films as Jaws, Raiders of the Lost Ark, Jurassic Park, and Minority Report. Before he became a world-renowned filmmaker, however,

Spielberg established himself on television, helming episodes of Rod Serling's *Night Gallery*; Marcus Welby, M.D.; and *Columbo*. But it was the small-screen version of a Richard Matheson short story that brought the young director's work to the attention of critics and viewers alike. In *Steven Spielberg and Duel: The Making of a Film Career*, Steven Awalt provides an exhaustive study commemorating the film that decisively launched the career of a major film artist. Through in-depth research and interviews with the film's creative and technical crew, the author tracks the film from genesis through production to release. Awalt conducted lengthy one-on-one interviews with Spielberg, Matheson, assistant director James Fargo, editor Frank Morriss, composer Billy Goldenberg, former MCA/Universal president Sidney J. Sheinberg, and writer-producer Steven Bochco, among others. Spielberg provided access to many rare documents from his archives, including multiple drafts of *Duel's* teleplay, the shooting schedule, shooting logistics breakdowns, and production correspondence. The first book-length examination of this important production in the director's early career, *Steven Spielberg and Duel* also includes the original teleplay by Matheson, four additional scenes created for the international theatrical release of the film, photos, and storyboards of the film's final sequence. A fascinating look behind the scenes of an acclaimed work, this book will interest not only scholars and film historians but anyone interested in the work of Richard Matheson and Steven Spielberg.

**Middlebrow Cinema** Sally Faulkner, 2016-03-31 Middlebrow Cinema challenges an often uninterrogated hostility to middlebrow culture that frequently dismisses it as conservative, which it often is not, and feminized or middle-class, which it often is. The volume defines the term relationally against shifting concepts of 'high' and 'low', and considers its deployment in connection with text, audience and institution. In exploring the concept of the middlebrow, this book recovers films that were widely meaningful to contemporary audiences, yet sometimes overlooked by critics interested in popular and arthouse extremes. It also addresses the question of socially-mobile audiences, who might express their aspirations through film-watching; and traces the cultural consequences of the movement of films across borders and between institutions. The first study of its kind, the volume comprises 11 original essays that test the purchase of the term 'middlebrow' across cultures, including those of Europe, Asia and the Americas, from the 1930s to the present day. Middlebrow Cinema brings into view a

popular and aspirational - and thus especially relevant and dynamic - area of film and film culture. Ideal for students and researchers in this area, this book: Remaps 'Popular' and 'arthouse' approaches Explores British, Chinese, French, Indian, Mexican, Spanish 'national' cinemas alongside Continental, Hollywood, Queer, Transnational cinemas Analyses Biopic, Heritage, Historical Film, Melodrama, Musical, Sex Comedy genres.

*Eiji Tsuburaya: Master of Monsters* August Ragone, 2007-11 Behind-the-scenes hero to anyone who's thrilled by giant monsters duking it out over Tokyo, Eiji Tsuburaya was the visual effects mastermind behind Godzilla, Ultraman, and numerous Japanese science fiction movies and TV shows beloved around the world. The first book on this legendary film figure in English, this highly visual biography details his fascinating life and career, featuring hundreds of film stills, posters, concept art, and delightful on-set photos of Tsuburaya prompting monsters to crush landmark buildings. A must-have for fans, this towering tribute also features profiles of Tsuburaya's film collaborators, details on his key films and shows (most available on DVD), and features on the enduring popularity of the characters he helped create.

**How Did Lubitsch Do It?** Joseph McBride, 2018-06-26 Orson Welles called Ernst Lubitsch (1892-1947) "a giant" whose "talent and originality are stupefying." Jean Renoir said, "He invented the modern Hollywood." Celebrated for his distinct style and credited with inventing the classic genre of the Hollywood romantic comedy and helping to create the musical, Lubitsch won the admiration of his fellow

directors, including Alfred Hitchcock and Billy Wilder, whose office featured a sign on the wall asking, "How would Lubitsch do it?" Despite the high esteem in which Lubitsch is held, as well as his unique status as a leading filmmaker in both Germany and the United States, today he seldom receives the critical attention accorded other major directors of his era. *How Did Lubitsch Do It?* restores Lubitsch to his former stature in the world of cinema. Joseph McBride analyzes Lubitsch's films in rich detail in the first in-depth critical study to consider the full scope of his work and its evolution in both his native and adopted lands. McBride explains the "Lubitsch Touch" and shows how the director challenged American attitudes toward romance and sex. Expressed obliquely, through sly innuendo, Lubitsch's risqué, sophisticated, continental humor engaged the viewer's intelligence while circumventing the strictures of censorship in such masterworks as *The Marriage Circle*, *Trouble in Paradise*, *Design for Living*, *Ninotchka*, *The Shop Around the Corner*, and *To Be or Not to Be*. McBride's analysis of these films brings to life Lubitsch's wit and inventiveness and offers revealing insights into his working methods.

**Fire in Montana** Greg Martin, 2006-05 In the summer of 1949 fifteen smokejumpers parachuted into a remote Montana canyon called Mann Gulch. It started as a very small fire in rugged country but within two hours after landing, thirteen of these young men were caught in a raging inferno and were killed. They died bravely, together with their friends, and in the service of their country. Everyone was young and attractive, healthy and strong, enthusiastic and in love. They were bursting into the prime of their lives.

There were no malcontents here. Everyone did their best but events overtook them. Until now the actual time line has never been connected to the people involved. *Fire in Montana* connects the lives of young smokejumpers who lived with a joy of life and expectations of shining futures, the forest rangers and volunteers who fought valiantly to rescue them, and their families, lovers, and friends who were forced to wait and pray, then face the devastating and heart wrenching loss.

**The Performing Set** Andrew Bennett Harris, 2006 The large-scale Broadway musical is one of America's great contributions to world theatre. Bill and Jean Eckart were stage designers and producers at the peak of the musical, and their designs revolutionized Broadway productions. At a time when sets were meant to remain simply backdrops that established time and place but not much else, an Eckart set became part of the performance on stage, equal at times to an actor. Anyone who has seen *Phantom of the Opera* or *Les Miserables* has seen the innovations that the Eckarts brought to the large Broadway-style musical production

**Live Fast Die Hot** Jenny Mollen, 2017-06-27 \*A NEW YORK TIMES HUMOR BESTSELLER\* By the author of *I Like You Just the Way I Am* and a frequent *Chelsea* contributor, an outrageous collection of personal stories about motherhood, responsibility, and other potential disasters. Jenny Mollen is a writer and actress living in New York. Until recently, her life was exciting, sexy, a little eccentric, and one hundred percent impulsive. She had a husband who embraced her crazy—who understood her need to

occasionally stalk around the house in his ex-girlfriend's old beach caftans and to invite their drug dealer to Passover seder (so he wouldn't feel like they were using him only for drugs). Then they had their son, Sid, and overnight, Jenny was forced to grow up: to be responsible, to brush her hair, to listen to her voicemail. Searingly funny and surprisingly affecting, *Live Fast Die Hot* is a collection of stories about what happens when you realize that some things are more important than crafting the perfect tweet—and a reminder that even if you never thought you were cut out for parenting, at least you can be better at it than your mother.

*The Normal Heart* Larry Kramer, 1985 Dramatizes the onset of the AIDS epidemic in New York City, the agonizing fight to get political and social recognition of its problems, and the toll exacted on private lives. 2 acts, 16 scenes, 13 men, 1 woman, 1 setting.

**King of Heists** J. North Conway, 2010-09-01 ANOTHER TRUE CRIME STORY FROM J. NORTH CONWAY—NOW IN PAPERBACK! The riveting story of one of America's most notorious crimes and the mysterious man behind it "Engrossing. . . . Conway skillfully paints a backdrop of fierce and flamboyant personalities who paraded across the Gilded Age. . . . [H]e capably recounts his story against a background of glitter and greed." —Publishers Weekly "A page-turning account of one of the most brazen crimes of our time." —Reader's Digest "Conway, a college prof and ex-newspaper man, covers this ancient tale in a way that makes it feel like a hot news story." —New York Post *King of Heists* is a spellbinding and unprecedented account of the greatest bank robbery in American history, which took place

on October 27, 1878, when thieves broke into the Manhattan Savings Institution and stole nearly \$3 million in cash and securities—around \$50 million in today's terms. Bringing the notorious Gilded Age to life in a thrilling narrative, J. North Conway tells the story of those who plotted and carried out this infamous robbery, how they did it, and how they were tracked down and captured. The robbery was planned to the minutest detail by criminal mastermind George Leonidas Leslie—a society architect and ladies' man whose double life as the nation's most prolific bank robber led him to be dubbed the "King of the Bank Robbers." An absorbing tale of greed, sex, crime, betrayal, and murder, *King of Heists* blends all the richness of history with the thrills of the best fiction.

**Play Baseball the Ripken Way** Cal Ripken, Jr., Bill Ripken, Larry Burke, 2005-01-25 Every year, hundreds of thousands of children play "Cal Ripken Baseball" in the largest division of Babe Ruth League, Inc. Play Baseball the Ripken Way is the ultimate guide to playing the game, by one of the sport's living legends. Baseball is America's national pastime, but that doesn't mean we're all born naturals. Kids of all ages (and their parents) are eager to improve specific skills, and now they can learn from one of the most respected baseball families in history. Cal and Bill Ripken have written a thoroughly illustrated instructional book that clearly explains proper baseball fundamentals—hitting, fielding, baserunning, pitching, and much more. Based on the teachings of the late Cal Ripken, Sr., a player, coach, manager, and scout in the Baltimore Orioles system for thirty-seven years, Play Baseball the Ripken Way shows players just what they need to do to be their best while maintaining a sense of fun and accomplishment with every new lesson. The Ripken Way consists of the following principles: \*Keep It Simple: Teaching that is too complicated is difficult to remember and can result in frustration. \*Explain Why: A teacher who cannot explain why is not truly teaching. Lessons that make sense will stick with players. \*Celebrate the Individual: No two players are alike, so why treat them as if they are? \*Make It Fun: The game gets serious enough quickly enough on its own. Drills and instruction should be structured so that players can enjoy themselves while learning. The book also includes tips for parents and coaches, practice workouts, and drills for players of every level.

**The Mafia, CIA & George Bush** Pete Brewton, 1992 The untold story of America's greatest financial debacle. Corruption, greed and abuse of power in the nation's highest office.

*Emergency Sex (And Other Desperate Measures)* Andrew Thomson, Heidi Postlewait, Kenneth Cain, 2011-05-31 What it's really like on the frontline of humanitarian aid It's the early 1990s and three young people are looking to change their lives, and perhaps also the world. Attracted to the ambitious global peacekeeping work of the UN, Andrew, Ken and Heidi's paths cross in Cambodia, from where their fates are to become inextricably bound. Over the coming years, their stories interweave through countries such as Rwanda, Bosnia, Somalia and Haiti - war-torn, lawless places where the intervention of the UN is needed like nowhere else. Driven by idealism, the three struggle to do the best they can, caught up in an increasingly tangled web of bureaucracy and ineffectual leadership. As disillusionment sets in, they attempt to keep hold of their humanity through black humour, revelry and 'emergency sex'. Brutal and moving in equal measure, *Emergency Sex (And Other Desperate Measures)* explores pressing global issues while never losing a sense of the personal. Deeply critical of the West's indifference to developing countries and the UN's repeated failure to intervene decisively, the book provoked massive controversy on its initial publication. Kofi Annan called for the book to be banned, and debate was sparked about the future direction of the UN. Brilliantly written and mordantly funny, it is a book that continues to make waves.
