The Case for Heaven Lee Strobel, 2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation,

and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

Dallas 1963 Bill Minutaglio, Steven L. Davis, 2013-05-28
In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil

rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breath-takingly paced, *Dallas 1963* presents a clear, cinematic, and revelatory look at the shocking tragedy that transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to explain Dallas-until now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. *Dallas 1963* is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation. Winner of the PEN Center USA Literary Award for Research Nonfiction Named one of the Top 3 JFK Books by Parade Magazine. Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast. Named one of the Top Nonfiction Books of 2013 by Kirkus Reviews.

Killing Crazy Horse Bill O'Reilly, Martin Dugard, 2020-09-08
The latest installment of the multimillion-selling *Killing* series is a gripping journey through the American West and the historic clashes between Native Americans and settlers. The bloody Battle of Tippecanoe was only the beginning. It's 1811 and President James Madison

has ordered the destruction of Shawnee warrior chief Tecumseh's alliance of tribes in the Great Lakes region. But while General William Henry Harrison would win this fight, the armed conflict between Native Americans and the newly formed United States would rage on for decades. Bestselling authors Bill O'Reilly and Martin Dugard venture through the fraught history of our country's founding on already occupied lands, from General Andrew Jackson's brutal battles with the Creek Nation to President James Monroe's epic "sea to shining sea" policy, to President Martin Van Buren's cruel enforcement of a "treaty" that forced the Cherokee Nation out of their homelands along what would be called the Trail of Tears. O'Reilly and Dugard take readers behind the legends to reveal never-before-told historical moments in the fascinating creation story of America. This fast-paced, wild ride through the American frontier will shock readers and impart unexpected lessons that reverberate to this day.

Woodman, 2019-06-03 Ann Arbor has seen many cherished landmarks and institutions come and go - some fondly remembered and others lost to time. When the city was little more than a village in the wilderness, its first school stood on the now busy corner of Main and Ann. Stores like Bach & Abel's and Dean & Co. served local needs as the village grew into a small town. As the town became a thriving city, Drake's and Maude's fed generations of hungry diners, and Fiegel's clothed father and son alike. Residents passed their time seeing movies at the Majestic or watching parades go down Main Street. Join authors Patti F. Smith and Britain Woodman on a tour of the city's past.
