**The Case for Heaven** Lee Strobel, 2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed

a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow

Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

**At Home in the Kitchen** David Kinch, Devin Fuller, 2021-03-23 120+ recipes for the unfussy dishes—from all-day eggs to 2 a.m. snacks—that the James Beard Award-winning, three-Michelin-starred chef of Manresa cooks at home. “An instant classic, it defines California cool and wears its sophistication lightly.”—Padma Lakshmi When David Kinch isn’t working at one of his restaurants, he cooks in his strawberry-colored bungalow—affectionately known as the Pink Palace—where he lives on the Northern California coast. A casual meal might include a rustic pasta made with cans from the pantry, a simple roasted chicken, or too many oysters to count. In *At Home in the Kitchen*, you’ll find David’s ready-for-anything Mother-

Sauce Mayo, a revelatory Guacamole with Pomegranate, the best make-ahead Grilled Cheese, and everything you want to eat for dinner tonight: Onion & Brioche Soup, Brussels Sprouts with Cider & Goat Cheese, Penne with a Walnut Sauce, Jambalaya New Orleans Style, Oven-Roasted Potatoes with Cod, Whole Roast Cauliflower with Capers & Egg, and much more. Photographed on location in the coastal town of Santa Cruz, where David surfs, sails, and entertains, this laid-back cookbook is packed with go-to recipes, songs to listen to while cooking, and a few classic cocktails (rum punch, daiquiris, sangria, margaritas!) to set a cheerful mood. And while each recipe has no more than a few key ingredients, David's clever techniques, subtle twists, and fresh flavor combinations guarantee delicious—and impressive!—results in no time at all.

*Reunion Planner* Phyllis A. Hackleman, 2009-06 If there is a reunion in your future, whether as the organizer or a helping hand, *Reunion Planner* is one book you won't want to be without. *Reunion Planner* leaves

nothing to chance. The contents include sections on the following: choosing the proper kind of reunion, recruiting volunteers, selecting the time and place, creating the program, guest speakers, budgeting, notifying the participants and promoting the event, planning meals and decorations, accommodations and transportation, souvenirs and fund raisers, photographers and videographers, building a genealogy, and finishing touches from road signs to thank-you notes and more.

*I Will Survive* Gloria Gaynor, 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including *Honey Bee*, *I Got You Under My Skin*, *Never Can Say Goodbye*, and the song that has immortalized her, *I Will Survive*, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous

with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.
