Elephants and Cheetahs Saral Mukherjee,2021-05-15 Do systems have souls? This book, based on a popular elective at IIM Ahmedabad, examines the hard trade-offs inherent in the design of operating systems and business models to look for answers. It encourages business leaders to ask two different sets of existential questions: does the organization that I am managing have a soul, and if so, what are the strategic choices that enable its synthesis (external orientation) and, do I have a soul and if so who am I (internal orientation)? In the process, it uncovers a beauty inherent in patterns of strategic choices that enables an organizational soul to emerge and an appreciation of the diversity of such souls.

Scripting Bollywood ,2021

The Adventures of an Intrepid Film Critic Anna M. M. Vetticad,2012 On Bollywood films.

A Place in My Heart Anupama Chopra,2022-01-17 A Place in My Heart is a many-splendored thing. It is a listicle. It is a celebration of the power of storytelling. It is also an account of a life lived in the Bollywood trenches. National Award-winning author, journalist and film critic Anupama Chopra writes about fifty films, artistes and events that have left an indelible impression on her and shaped her twenty-

five-year-long career. Shah Rukh Khan is here. So are Super Deluxe and the Cannes Film Festival. *A Place in My Heart* is a blend of recommendations and remembrances, nostalgia and narratives. It is a smorgasbord of cinematic delights, written, as Marie Kondo would say, to 'spark joy.' Above all, it is a testament to Chopra's enduring love for all things cinema.

The Counterfeiter Bhaswar Mukherjee ,2022-01-11 Telgi and the stamp scam? Didn't that happen a quarter of a century ago? Why now? Because the complete story of the counterfeiter and scamster has never been told before. Because the story of the sheer innovation and audacity of an underdog needs to be told. Because the complex web of corruption involving lawmakers and law-keepers continues. Because the crime has all the overtones of a Bollywood potboiler, replete with chases, corrupt government officials and policemen, political chicanery, bar dancers and yes, a murder too! Because of the many unanswered questions that remain, so many years after the crime and the death of Abdul Karim Ladsaab Telgi in 2017. How was it possible for a man like Telgi to establish a pan-India 'business' in 74 cities and reach such dizzying heights of power and pelf, amassing a personal wealth of over Rs 17,000 crore while swindling the economy to the tune of Rs 25,000 crore? How did he manage to undermine the hallowed institutions of India? What was the size of the scam? How did CBI peg the figure at a mere fraction of the guesstimated amount? *The Counterfeiter* chronicles the audacious swindle by the flamboyant mastermind in a blow-by-blow account of its execution, investigation, charge sheets, legal developments, Telgi's

incarceration, trial, death - and finally exoneration. An unputdownable true-crime dossier!

How I Became a Tree Sumana Roy, 2021-08-31 An exquisite, lovingly crafted meditation on plants, trees, and our place in the natural world, in the tradition of Robin Wall Kimmerer's *Braiding Sweetgrass* and Annie Dillard's *Pilgrim at Tinker Creek* "I was tired of speed. I wanted to live tree time." So writes Sumana Roy at the start of *How I Became a Tree*, her captivating, adventurous, and self-reflective vision of what it means to be human in the natural world. Drawn to trees' wisdom, their nonviolent way of being, their ability to cope with loneliness and pain, Roy movingly explores the lessons that writers, painters, photographers, scientists, and spiritual figures have gleaned through their engagement with trees—from Rabindranath Tagore to Tomas Tranströmer, Ovid to Octavio Paz, William Shakespeare to Margaret Atwood. Her stunning meditations on forests, plant life, time, self, and the exhaustion of being human evoke the spacious, relaxed rhythms of the trees themselves. Hailed upon its original publication in India as "a love song to plants and trees" and "an ode to all that is unnoticed, ill, neglected, and yet resilient," *How I Became a Tree* blends literary history, theology, philosophy, botany, and more, and ultimately prompts readers to slow down and to imagine a

reenchanted world in which humans live more like trees.

When Dimple Met Rishi Sandhya Menon,2021-02-09
The inspiration for the Netflix original series Mismatched! Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called “utterly charming!” Eleanor & Park meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she’s more than ready for a break from her family, from Mamma’s inexplicable obsession with her finding the “Ideal Indian Husband.” Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she needed a husband right now, they wouldn’t have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he’ll have to woo her—he’s totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and being a part of something much bigger than himself. The Shahs and Patels didn’t mean to start turning the wheels on this “suggested arrangement” so early in their children’s lives, but when they noticed them both gravitate toward the same summer program, they figured, Why not? Dimple and Rishi may think they have each other figured out. But when opposites clash, love works hard to prove itself in the most unexpected ways.

Do You Remember Kunan Poshpora? Essar Batool, Ifrah Butt, Samreen Mushtaq, Munaza Rashid, Natasha Rather,2016-09-10 On a cold February night in 1991, a group of soldiers and officers of the Indian Army pushed their way into two villages in Kashmir, seeking out militants assumed to be hiding there. They pulled the men out of their homes and subjected many to torture, and the women to rape. According to village accounts, as many as 31 women were raped. Twenty-one years later, in 2012, the rape and murder of a young medical student in Delhi galvanized a protest movement so widespread and deep that it reached all corners of the world. In Kashmir, a group of young women, all in their twenties, were inspired to re-open the Kunan-Poshpora case, to revisit their history and to look at what had happened to the survivors of the 1991 mass rape. Through personal accounts of their journey, this book examines questions of justice, of stigma, of the responsibility of the state, and of the long-term impact of trauma.
