**Andrew Screen**

## **Nandor Fodor And The Talking Mongoose 2023 :**

**Gef!** Christopher Josiffe, 2021-02-24  
An exhaustive investigation of the case of Gef, a “talking mongoose” or “man-weasel,” who appeared to a family living on the Isle of Man. “I am the fifth dimension! I am the eighth wonder of the world!” During the mid-1930s, British and overseas newspapers were full of incredible stories about Gef, a “talking mongoose” or “man-weasel” who had allegedly appeared in the home of the Irvings, a farming family in a remote district of the Isle of Man. The creature was said to speak in several languages, to sing, to steal objects from nearby farms, and to eavesdrop on local people. Despite written reports, magazine articles and books, several photographs, fur samples and paw prints, voluminous correspondence, and

signed eyewitness statements, there is still no consensus as to what was really happening to the Irving family. Was it a hoax? An extreme case of folie à plusieurs? A poltergeist? The possession of an animal by an evil spirit? Now you can read all the evidence and decide for yourself. Seven years' research and interviews, photographs (many previously unseen), interviews with surviving witnesses, visits to the site—all are presented in this book, the first examination of the case for seventy years. In the words of its mischievous, enigmatic subject, “If you knew what I know, you'd know a hell of a lot!

**Nerd Do Well** Simon Pegg, 2011-06-09  
The unique life story of one of the most talented and inventive comedians, star of Shaun of the Dead, Hot Fuzz, Paul, Spaced, and Star Trek. Zombies in North London,

death cults in the West Country, the engineering deck of the Enterprise -- actor, comedian, writer, and supergeek Simon Pegg has been ploughing some bizarre furrows. Having landed on the U.S. movie scene in the surprise cult hit Shaun of the Dead, his enduring appeal and rise to movie stardom has been mercurial, meteoric, megatronic, but mostly just plain great. From his childhood (and subsequently adult) obsession with science fiction, his enduring friendship with Nick Frost, and his forays into stand-up comedy, which began with his regular Monday-morning slot in front of his twelve-year-old classmates, Simon has always had a severe and dangerous case of the funnies. Whether recounting his experience working as a lifeguard at the city pool, going to Comic-Con for the first time and confessing to Carrie Fisher that he used to kiss her picture

every night before he went to sleep, or meeting and working with heroes that include Peter Jackson, Kevin Smith, and Quentin Tarantino, Pegg offers a hilarious look at the journey to becoming an international superstar.

*The Most Haunted House in England* Harry Price, 1941 Borley Rectory was the house that gained infamy as the most haunted house in England after its ten-year-long paranormal investigation by the psychic researcher; Harry Price. Price dedicated his life to uncovering the truth behind the paranormal, leading him to become one of the most well-known psychical researchers of all time. It was his investigation into Borley Rectory which by far became the most famous case in Price's long career, eventually leading to the Victorian house being crowned the 'most haunted in England'. This book ... document[s] his ten-year investigation into exploring the nature of paranormal phenomena surrounding Borley Rectory. The rectory was attributed to classic poltergeist activity, wall-writing, mysterious fires and supernatural manifestations. Most notable of these is

that of the figure of a nun, known for walking across the garden. Also appearing was a spectral carriage and team of horses driven by a headless coachman. It could be said that the story of Borley Rectory is as much a story of a haunted house and ghosts as it is about the living. Borley's saga includes sensationalist tabloid headlines, a scandalous affair and a captivating investigator whose discoveries are still questioned to this day--Amazon.com.

From The Horses Mouth Mike Dillon, 2010-07-01 there are few New Zealanders of whom it could be claimed they have been richly entertaining for virtually an entire lifetime. But Keith Haub is one. From the moment he embarked on a wisecracking career as a barber, through the halcyon days when he not only enthralled the nation's turf fans with his masterly race calling but owned a speedster called McGinty (an icon in its own right) to being in hot demand as a brilliantly funny after-dinner speaker, Haubie has been a truly unique character. His often outrageous but always entertaining and amusing career is wonderfully

portrayed in *From the Horse's Mouth*, written by leading New Zealand racing journalist Mike Dillon, who has long been a friend and confidante of Haub's. Together they have produced a magical book, offering a rare mix of sporting drama and achievement, hilarious adventures and misadventures, and a superb insight into the Sport of Kings. For Aucklander Mike Dillon, who delights readers of the New Zealand Herald daily with his colourful racing accounts, this is his first book, but given the rich material he has extracted from Haub it is unlikely to be his last.

**The Sound of Violet** Allen Wolf, 2021-09-21 Shawn believes he found his perfect soulmate but his autism keeps him from realizing she's actually a prostitute.

**Cold Storage** David Koepp, 2019-09-03 On every level, *Cold Storage* is pure, unadulterated entertainment. —Douglas Preston, *The New York Times Book Review* For fans of *The Martian*, *Dark Matter*, and *Before the Fall* comes an astonishing debut thriller by the screenwriter of *Jurassic Park*: a wild and terrifying

bioterrorism adventure about three strangers who must work together to contain a highly contagious, deadly organism that could destroy all of humanity. They thought it was contained. They were wrong. When Pentagon bioterror operative Roberto Diaz was sent to investigate a suspected biochemical attack, he found something far worse: a highly mutative organism capable of extinction-level destruction. He contained it and buried it in cold storage deep beneath a little-used military repository. Now, after decades of festering in a forgotten sub-basement, the specimen has found its way out and is on a lethal feeding frenzy. Only Diaz knows how to stop it. He races across the country to help two unwitting security guards—one an ex-con, the other a single mother. Over one harrowing night, the unlikely trio must figure out how to quarantine this horror again. All they have is luck, fearlessness, and a mordant sense of humor. Will that be enough to save all of humanity?

The Book of Beasts Andrew Screen,2023-10-05 Nigel Kneale is perhaps best known for his pioneering

work in television fantasy, notably the creation of Quatermass, and his landmark adaptation of George Orwell's 1984 for the BBC. This book is the first in-depth study of another, arguably lesser known but equally as important, Kneale creation: the 1976 Folk Horror anthology television series, *Beasts*. Each of the six episodes of *Beasts* was a standalone supernatural drama exploring themes and ideas prevalent throughout Kneale's work, all within the confines of a lowly British television budget. From pilot episode *Murrain* to cult favourite *Baby*, *Beasts* charted an uncanny British landscape, where the ghost of a dolphin haunts an aquarium and a supermarket is plagued by a mysterious animalistic presence. In researching and writing this book, author Andrew Screen was given rare access to Kneale's original scripts and production paperwork and provides an exclusive account of Kneale's trials and tribulations in developing the series. There are also interviews with members of cast and crew, a discussion of episode treatments that were prepared but never realised — and the reasons why Kneale abandoned these at

an early stage. Moreover, each storyline is contextualised with real life developments and events, exploring the mythological and cultural inspirations that place the series within its immediate historical framework. Written with full permission from the Kneale estate, *THE BOOK OF BEASTS* is a comprehensive overview of a cult television series and its enduring impact on viewers today. With a foreword by Johnny Mains.

**The Poltergeist Prince of London** James Clark, Shirley Hitchings,2013-10-01 It began with a key. One afternoon in 1956, in the home of the Hitchings family in Battersea, south London, a small silver key appeared on Shirley Hitchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here - by learning to write. Soon, the spirit had

begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history – but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all – Shirley herself.

**Neil Gaiman's Chivalry** Neil Gaiman, 2022-04-05 Winner 2023 Will Eisner Award - Best Adaptation from Another Medium. Another delightfully humorous and sweet fantasy graphic novel adaptation of a Neil Gaiman short story, brought to you by the Eisner award-winning creative team behind *Troll Bridge* and *Snow, Glass, Apples*: Neil Gaiman and Colleen Doran! An elderly British widow buys what turns out to be the Holy Grail from a second-hand shop, setting her off on an epic visit from an ancient knight who lures her with ancient relics in hope for winning the cup. From the Hugo, Bram Stoker, Locus, World Fantasy, Nebula award-winning, and New York Times bestselling writer Neil Gaiman (*American Gods*) comes this graphic novel adaptation by Colleen Doran (*Troll Bridge*, *Snow, Glass, Apples*).

*Red Seas Under Red Skies* Scott

Lynch, 2007-07-31 In his highly acclaimed debut, *The Lies of Locke Lamora*, Scott Lynch took us on an adrenaline-fueled adventure with a band of daring thieves led by con artist extraordinaire Locke Lamora. Now Lynch brings back his outrageous hero for a caper so death-defying, nothing short of a miracle will pull it off. After a brutal battle with the underworld that nearly destroyed him, Locke and his trusted sidekick, Jean, fled the island city of their birth and landed on the exotic shores of Tal Verrar to nurse their wounds. But even at this westernmost edge of civilization, they can't rest for long—and are soon back to what they do best: stealing from the undeserving rich and pocketing the proceeds for themselves. This time, however, they have targeted the grandest prize of all: the Sinspire, the most exclusive and heavily guarded gambling house in the world. Its nine floors attract the wealthiest clientele—and to rise to the top, one must impress with good credit, amusing behavior...and excruciatingly impeccable play. For there is one cardinal rule, enforced by Requin, the

house's cold-blooded master: it is death to cheat at any game at the Sinspire. Brazenly undeterred, Locke and Jean have orchestrated an elaborate plan to lie, trick, and swindle their way up the nine floors...straight to Requin's teeming vault. Under the cloak of false identities, they meticulously make their climb—until they are closer to the spoils than ever. But someone in Tal Verrar has uncovered the duo's secret. Someone from their past who has every intention of making the impudent criminals pay for their sins. Now it will take every ounce of cunning to save their mercenary souls. And even that may not be enough.... Praise for *Red Seas Under Red Skies* "Lynch hasn't merely imagined a far-off world, he's created it, put it all down on paper—the smells, the sounds, the people, the feel of the place. The novel is a virtuoso performance, and sf/fantasy fans will gobble it up."—Booklist (starred review) "*Red Seas Under Red Skies* firmly proves that Scott Lynch isn't a one-hit wonder. . . . It'll only be a matter of time before Scott Lynch is mentioned in the same breath as George R. R. Martin and Steven

Erikson.”—Fantasy Book Critic “Grand, grandiose, grandiloquent . . . No critic is likely to fault Lynch in his overflowing qualities of inventiveness, audacious draftsmanship, and sympathetic characterization.”—Locus

***Cryptozoology*** Richard

Freeman, 2019-05-15 Discover the science of (not so) imaginary creatures Adventures in Cryptozoology is the perfect resource for the explorer who loves Josh Gates's Expedition Unknown and Cryptozoology A to Z. Explore the world through its most unlikely creatures: Cryptozoology, the study of hidden, monstrous, and legendary animals, is truly the art of discovering the unknown. Richard Freeman, Zoological Director of Centre for Fortean Zoology, has explored the corners of the five continents on the search for creatures that many people believe are non-existent. In this book, he shares the exciting stories of his investigations of the Yeti, Mongolian Deathworm, Loch Ness Monster, Orang-Pendak, Ninki-Naka, and more. The line between myth and reality may be more narrow than you think: Cryptozoologists throughout the years

have studied unknown species of reptiles, lake and sea creatures, apes, and hominins. The science and history of this field of study includes examples of creatures that were once thought to be mythological, but that have since been proven to exist. Our monsters, ourselves: The history of fabulous beasts and our searches for them is a history of the cultures of the world and the secrets we keep. If you're ready to begin your search for Sasquatch and learn to hunt monsters, Adventures in Cryptozoology is your guide. In these pages you'll find: Tales of mythical, extinct, and out-of-place creatures Hints about Bigfoot and other ape-men And tips for equipping your own cryptozoology adventure, including all the gear, field craft, and resources you'll need to record your findings

***The Pillowman*** Martin

McDonagh, 2003 The Pillowman centers on a writer in an unnamed totalitarian state who is being interrogated about the gruesome content of his short stories and their similarities to a series of child murders. The result is an urgent work of theatrical bravura and an unflinching examination of the very

nature and purpose of art. -- Publisher's website.

***Soul Surfer*** Bethany

Hamilton, 2012-12-25 They say Bethany Hamilton has saltwater in her veins. How else could one explain the tremendous passion that drives her to surf? How else could one explain that nothing - not even the loss of her arm in a horrific shark attack - could come between her and the waves? That Halloween morning in Kauai, Hawaii Bethany responded to the shark's stealth with a calmness beyond belief. Pushing pain and panic aside, she immediately thought: 'Get to the beach...' Rushed to the hospital, where her father, Ted Hamilton, was about to undergo knee surgery, Bethany found herself taking his spot in the operating theatre. When the first thing Bethany wanted to know after surgery was 'When can I surf again?' it became clear that her unfaltering spirit and determination were part of a greater story - a tale of courage and faith that this modest and soft-spoken girl would come to share with the world.

***The Weiser Field Guide to Ghosts*** Raymond Buckland, 2009-09-01

A reference guide to the otherworld—includes illustrations. From battlefield and biblical ghosts to poltergeists and orbs, *The Weiser Field Guide to Ghosts* examines categories and subcategories of ghosts across time and cultures, including commonalities and misconceptions. Stories of encounters, legendary ghosts, and haunted places are all covered in this beautifully illustrated compendium, a veritable A-Z of the otherworld. *The Weiser Field Guide to Ghosts* is concise and comprehensive—and also includes practical tips on ghost hunting and suggested further reading.

**The Graveyard Book** Neil Gaiman, 2010-09-28 It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man

Jack—who has already killed Bod's family.

**Here Be Monsters!** Alan Snow, 2014-09-11 Meet the Boxtrolls! The book that inspired the film! There's an emergency in Ratbridge! Only orphan Arthur and his new friends Willbury Nibble QC, Marjorie the inventor, a timid cabbagehead, and some very excitable boxtrolls can save the day! But are they really up to the job? Why has the evil Snatcher taken up residence in Cheese Hall? Who has stolen Marjorie's latest invention? And who knew that rats were so good at removing stains? Find out in this amazing, fun, and highly-illustrated romp!

**Harry Price** Richard Morris, 2006 Harry Price (1888-1944) was one of the most controversial psychic investigators of all time. This book is the result of extensive research into Harry Price and reveals whether he was a charlatan or a gifted pseudoscientist.

**Between Daylight and Boonville** Matt Williams, 1983 Typescript, 1980. Unmarked script of a play that premiered in New York, New York in

1980.

**Camera Man** Dana Stevens, 2023-02-28 They were calling it the Twentieth Century -- She is a little animal, surely -- He's my son, and I'll break his neck any way I want to -- The locomotive of juveniles -- A little hell-raising Huck Finn -- The boy who couldn't be damaged -- Make me laugh, Keaton -- Speed mania in the kingdom of shadows -- Pancakes at Childs -- Comique -- Roscoe -- Brooms -- Mabel at the wheel -- Famous players in famous plays -- Home, made -- Rice, shoes, and real estate -- The shadow stage -- Battle-scarred risibilities -- One for you, one for me -- The darkie shuffle -- The collapsing façade -- Grief slipped in -- The road through the mountain -- Not a drinker, a drunk -- Old times -- The coming thing in entertainment -- Coda: Eleanor.

**Mysterious Celtic Mythology in American Folklore** Bob Curran, James Cantrell, 2010-08-20 Many American legends have Celtic origins. Each chapter in this fascinating book presents a Celtic myth and a similar American one. Celtic immigrants brought these legends to all regions of

the U.S. Old-world mythology morphs into New World folklore. Curran recounts America's oldest legends and traces their origins to the Celtic mythology of Ireland, Scotland, and Wales, presenting a similar old-world tale alongside each American version. Once transported to America, the original Celtic tales evolved to assimilate the new population's geographic, social, and religious customs, weaving their way into the fabric of American folk history.
