The Case for Heaven Lee Strobel,2021-09-14 Bestselling and award-winning author Lee Strobel

interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell

and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

Midnight's Borders Suchitra Vijayan, 2021-05-25 A Booklist Top 10 History Book of 2022 The first true people's history of modern India, told through a seven-year, 9,000-mile journey along its many contested borders Sharing borders with six countries and spanning a geography that extends from Pakistan to Myanmar, India is the world's largest democracy and second most populous country. It is also the site of the world's biggest crisis of statelessness, as it strips citizenship from hundreds of thousands of its people--especially those living in disputed border regions. Suchitra Vijayan traveled India's vast land border to explore how these

populations live, and document how even places just few miles apart can feel like entirely different countries. In this stunning work of narrative reportage--featuring over 40 original photographs--we hear from those whose stories are never told: from children playing a cricket match in no-man's-land, to an elderly man living in complete darkness after sealing off his home from the floodlit border; from a woman who fought to keep a military bunker off of her land, to those living abroad who can no longer find their family history in India. With profound empathy and a novelistic eye for detail, Vijayan brings us face to face with the brutal legacy of colonialism, state violence, and government corruption. The result is a gripping, urgent dispatch from a modern India in crisis, and the full and vivid portrait of the country we've long been missing.

Leopoldstadt Tom Stoppard, 2020-08-25 **Winner of the Tony Award for Best Play** Finally making its Broadway debut in a limited engagement run, Tom Stoppard's humane and heartbreaking Olivier Award-winning play of love, family, and endurance At the beginning of the twentieth century, Leopoldstadt was the old, crowded Jewish quarter of Vienna, a city humming with artistic and intellectual excitement. Stoppard's epic yet intimate drama centers on

Hermann Merz, a manufacturer and baptized Jew married to Catholic Gretl, whose extended family convene at their fashionable apartment on Christmas Day in 1899. Yet by the time the play closes, Austria has passed through the convulsions of war, revolution, impoverishment, annexation by Nazi Germany, and the Holocaust, which stole the lives of 65,000 Austrian Jews alone. From one of today's most acclaimed playwrights, Leopoldstadt is a human and heartbreaking drama of literary brilliance, historical verisimilitude, and powerful emotion.

Goat Days Benyamin, 2012-07-17 Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam

and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

Lawley Road and Other Stories

R. K. Narayan, 1967

Conversations with Mani Ratnam

Baradwaj Rangan, 2013-12-10 Mani Ratnam's *Nayakan* is among Time's '100 Best Movies Ever'; and Roja launched A.R. Rahman. This book, unique to Indian cinema, illuminates the genius of the man behind these and eighteen other masterly films. For the first time ever, Mani Ratnam opens up here, to Baradwaj Rangan, about his art, as well as his life before films. In these freewheeling conversations—candid, witty, pensive, and sometimes combative—many aspects of his films are explored. Ratnam elaborates in a personal vein on his choice of themes, from the knottiness in urban relationships (Agni Natchatiram) to the rents in the national fabric (Bombay); his directing of children (Anjali); his artful use of

songs; his innovative use of lighting; as also his making of films in Hindi and other languages. There are fond recollections of collaborations with stalwarts like Balu Mahendra, P.C. Sreeram, Thotta Tharrani and Gulzar, among many others. And delectable behind-the-scenes stories—from the contrasting working styles of the legendary composer Ilaiyaraaja and Rahman to the unexpected dimensions Kamal Haasan brought to the filming of *Nayakan* to what Raavan was like when originally conceived. In short, like Mani Ratnam's films, *Conversations* surprises, entertains and stimulates. With Rangan's personal and impassioned introduction setting the Tamil and national context of the films, and with posters, script pages and numerous stills, this book is a sumptuous treat for serious lovers of cinema as well as the casual moviegoer looking for a peek behind the process.

1942 Winston Groom, 2007-12-01
America's first year in World War II, chronicled in this "page-turner" by the Pulitzer Prize-nominated author of *Forrest Gump* and *The Generals*

(Publishers Weekly). On December 7, 1941, an unexpected attack on American territory pulled an unprepared country into a terrifying new brand of warfare. To the generation of Americans who lived through it, the Second World War was the defining event of the twentieth century, and the defining moments of that war were played out in the year 1942. This account covers the Allies' relentless defeats as the Axis overran most of Europe, North Africa, and the Far East. But by midyear the tide began to turn. The United States finally went on the offensive in the Pacific. In the West, the British defeated Rommel's panzer divisions at El Alamein while the US Army began to push the Germans out of North Africa. By the year's end, the smell of victory was in the air. 1942, told with Winston Groom's accomplished storyteller's eye, allows us into the admirals' strategy rooms, onto the battlefronts, and into the heart of a nation at war. "When not drawing in readers with the narrative, Groom is impressing them with his masterful analyses." —The Atlanta Journal-Constitution "Groom has done an artful

job of blending the many stories of 1942." —The Anniston Star

A Preface to Man Subhash Chandran, 2019-01-25 Ann Marie reads fragments of her dead husband's unfinished book, and the many love letters he sent her, and in them the social and political events of the time. As she ponders over the writing and the years that the brilliant Jithendran squandered working for a toy company that makes drum-playing monkeys, the narrative gives way to the sweeping saga of a village by the river Periyar. Grappling with issues of equality, love, caste, religion and politics, Thachanakkara is a microcosm of twentieth-century Kerala. Told through the history of three generations of a feudal Nair family, this sprawling story is reminiscent of the craft of Gabriel Garcia Marquez's *One Hundred Years of Solitude* and has the scale of Sunil Gangopadhyay's *Those Days*. Manushyanu Oru Amukham is an artistic meditation on human existence and is a contemporary classic.
