Progressive Hollywood Ed Rampell,2005-01-01 With an introduction by Greg Palast, author of bestseller *The Best Democracy Money Can Buy*, *Progressive Hollywood* features Rampell's interviews and interactions with Hollywood

luminaries such as producers Jerry Bruckheimer and Robert Greenwald; actors Jack Nicholson, Rob Reiner, Mike Farrell, Ed Asner, Martin Sheen, David Clennon, Gore Vidal and Dennis Hopper; directors Michael Moore, Spike Lee, Oliver Stone and Lionel Chetwynd; blacklisted screenwriters Bernie Gordon (who initiated the 1999 protests against Elia Kazan's lifetime achievement Oscar), Bobby Lees (who injected dialectical materialism into Abbott and Costello comedies) and Norma Barzman (author of 2003's *The Red and the Blacklist*).

Doctor John Remembers John Henry Moore,2023-05-16 This is the story (told in nearly two hundred short recollections) of a surgeon from a family of surgeons, raised in the Arkansas oil country of the Jim Crow South. A churchgoer from his childhood, he came to a saving knowledge of Christ (along with his wife Cathy) only in the late 1970s. And from that turning point, they proved themselves to be choice servants of the Lord in countless ways--in John's case, as a deacon, a surgeon in the Amazon region, a denominational and parachurch board member, a conference speaker in Eastern Europe, a free-clinic doctor in Southwest Missouri, and a church staff member. Along the way, he took note of a host of engaging events, characters,

and conversations, whether among fellow Air Force doctors on parade, with medical colleagues observing a gratifying, ancillary effect of defibrillation, or in the company of an aunt who introduced him to Roy Rogers and Stan Musial. There was even an Elvis sighting. The book is rich in theological, ecclesiological, missiological, familial, sociological, psychological, and medical narratives and observations.

Lowdown Road Scott Von Doviak, 2023-07-11 One of “The Most Wanted Crime Novels of 2023” — Crimefictionlover.com Join a heart-racing road trip across 1970s America as two cousins make the heist of their lives and must avoid the cops and criminals hot on their tails. It’s the summer of ’74...Richard Nixon has resigned from office, CB radios are the hot new thing, and in the great state of Texas two cousins hatch a plan to drive \$1 million worth of stolen weed to Idaho, where some lunatic is gearing up to jump Snake River Canyon on a rocket-powered motorcycle. But with a vengeful sheriff on their tail and the revered and feared marijuana kingpin of Central Texas out to get his stash back, Chuck and Dean are in for the ride of their lives – if they can make it out alive... Scott Von Doviak, longtime pop-culture journalist for The A.V. Club, Film Threat, The Hollywood Reporter, and the Fort Worth Star-Telegram, made a splash with his debut novel, CHARLESGATE CONFIDENTIAL, which Stephen King called “terrific” and “a fun machine...the white-knuckle kind.” With LOWDOWN ROAD, he cements his reputation for pedal-to-the-metal storytelling that also makes you think about just who we are and where our darker roads might lead us.

Harlequin Heartwarming July 2023 Box Set Mary Anne

Wilson, Patricia Johns, Cari Lynn Webb, Lisa Childs, 2023-06-27 Harlequin® Heartwarming celebrates wholesome, heartfelt relationships that focus on home, family, community and love. Then she meets firefighter Colton Cassidy—he’s handsome and kind, and it’s impossible not to fall for him. But after losing herself so completely before, can she trust her heart again? Look for 4 compelling new stories every month from Harlequin® Heartwarming!

Animal Welfare, 1994

Life on the Road Michelle Cornish,2023-08-15 When life gives you ballads, you learn to sing along . . . John Johnson had no idea the ramifications of choosing his alcoholic father over his desperate mother all those years ago when he was only thirteen. All he knew then was he needed to be where the music was, and that was with Orson—the man he called Dad. As John navigates love with Val, the girl living next door to his aunt and uncle, a car crash and his destructive relationship with his father threaten to sever his ties with Val for good. In the face of despair, it's Orson who rekindles hope by providing John an unanticipated lifeline—a spot in his band. Touring with the band fuels John's dreams of making it big, but once again, he's faced with Orson's debilitating demons. No matter how hard John tries to propel the band to success, Orson's reckless actions deliver devastating blows, leading to a final tour with a gut-wrenching crescendo. As he grapples with a past shrouded in haunting melodies, John discovers he has demons of his own. Can he break free to live the life he deserves? Or will his heart remain forever on the road? *Life on the Road* is a heart-wrenching journey through the rhythms of regret and redemption—a song of hope that asks if it's ever too late to find one's way home.

[The Story of Silver](#) William L. Silber,2021-01-12 This is the story of silver's transformation from soft money during the nineteenth century to hard asset today, and how manipulations of the white metal by American president Franklin D. Roosevelt during the 1930s and by the richest man in the world, Texas oil baron Nelson Bunker Hunt, during the 1970s altered the course of American and world

history. FDR pumped up the price of silver to help jump start the U.S. economy during the Great Depression, but this move weakened China, which was then on the silver standard, and facilitated Japan's rise to power before World War II. Bunker Hunt went on a silver-buying spree during the 1970s to protect himself against inflation and triggered a financial crisis that left him bankrupt. Silver has been the preferred shelter against government defaults, political instability, and inflation for most people in the world because it is cheaper than gold. The white metal has been the place to hide when conventional investments sour, but it has also seduced sophisticated investors throughout the ages like a siren. This book explains how powerful figures, up to and including Warren Buffett, have come under silver's thrall, and how its history guides economic and political decisions in the twenty-first century--Publisher's description

Comprehensive Catalog and Encyclopedia of Morgan and Peace Dollars Leroy C. Van Allen,George Mallis,1997-08-01 All known varieties of the Morgan and Peace silver dollars are covered in this guide. Their availability and price have made them one of the most widely collected silver dollars in contemporary collecting and investing.

"Exterminate All the Brutes" Sven Lindqvist,2021-03-30 Now part of the eponymous HBO docuseries written and directed by Raoul Peck, “Exterminate All the Brutes” is a brilliant intellectual history of Europe’s genocidal colonization of Africa—and the terrible myths and lies that it spawned “A book of stunning range and near genius. . . . The catastrophic consequences of European imperialism are made palpable in the personal progress of

the author, a late-twentieth-century pilgrim in Africa. Lindqvist's astonishing connections across time and cultures, combined with a marvelous economy of prose, leave the reader appalled, reflective, and grateful." —David Levering Lewis "Exterminate All the Brutes," Sven Lindqvist's widely acclaimed masterpiece, is a searching examination of Europe's dark history in Africa and the origins of genocide. Using Joseph Conrad's *Heart of Darkness* as his point of departure, the award-winning Swedish author takes us on a haunting tour through the colonial past, interwoven with a modern-day travelogue. Retracing the steps of European explorers, missionaries, politicians, and historians in Africa from the late eighteenth century onward, "Exterminate All the Brutes" exposes the roots of genocide in Africa through Lindqvist's own journey through the Saharan desert. As he shows, fantasies not merely of white superiority but of actual extermination—"cleansing" the earth of the so-called lesser races—deeply informed the colonialism and racist ideology that ultimately culminated in Europe's own Holocaust. Conquerors' stories are the ones that inform the self-mythology of the West—whereas the lives and stories of those displaced, enslaved, or killed are too often ignored and forgotten. "Exterminate All the Brutes" forces a crucial reckoning with a past that still echoes in our collective psyche—a reckoning that compels us to acknowledge the exploitation and brutality at the heart of our modern, globalized society. As Adam Hochschild has written, "Lindqvist's work leaves you changed."

Biography of a Phantom Robert Mack
McCormick, 2023-04-04 The drama of *In Cold Blood* meets

the stylings of a Coen brothers film in this long-lost manuscript from musicologist Robert "Mack" McCormick, whose research on blues icon Robert Johnson's mysterious life and death became as much of a myth as the musician himself. This is a human and humane book, an insightful exploration of the biographer's craft. [...] McCormick's book makes you feel what we lost when Johnson died young. —New York Times Reads like noir fiction. It's a detective story riddled with fatalism and ambiguity carried out by someone who, like the archetypal noir hero, isn't a detective but an ordinary guy in a dismal, often violent setting searching for what can't be found. —Wall Street Journal When blues master Robert Johnson's little-known recordings were rereleased to great fanfare in the 1960s, little was known about his life, giving rise to legends that he gained success by selling his soul to the devil. *Biography of a Phantom: A Robert Johnson Blues Odyssey* is musicologist Mack McCormick's all-consuming search, from the late 1960s until McCormick's death in 2015, to uncover Johnson's life story. McCormick spent decades reconstructing Johnson's mysterious life and developing theories about his untimely death at the age of 27, but never made public his discoveries. *Biography of a Phantom* publishes his compelling work for the first time, including 40 unseen black-and-white photographs documenting his search. While knocking on doors and sleuthing for Johnson's loved ones and friends, McCormick documents a Mississippi landscape ravaged by the racism of paternalistic white landowners and county sheriffs. An editor's preface and afterword from Smithsonian curator John W. Troutman provides context as

well as troubling details about McCormick's own impact on Johnson's family and illuminates through McCormick's archive the complex legacy of white male enthusiasts assuming authority over Black people's stories and the history of the blues. While Johnson died before achieving widespread recognition, his music took on a life of its own and inspired future generations. *Biography of a Phantom*, filled with lush descriptive fieldwork and photographs, is an important historical object that deepens the understanding of a stellar musician.

Selected Stories of O. Henry O. Henry, 2023-10-01

Selected Stories of O. Henry: To the stranger or the guest the people of Coralio will relate the story of the tragic end of their former president; how he strove to escape from the country with the public funds and also with Doña Isabel Guilbert; the young American opera singer; and how; being apprehended by members of the opposing political party in Coralio; he shot himself through the head rather than give up the funds; and; in consequence; the Señorita Guilbert. They will relate further that Doña Isabel; her adventurous bark of fortune shoaled by the simultaneous loss of her distinguished admirer and the souvenir hundred thousand; dropped anchor on this stagnant coast; awaiting a rising tide. Selected Stories of Honoré de Balzac by Honoré de Balzac: In this collection, Honoré de Balzac presents a selection of his acclaimed short stories, showcasing his incredible talent for vivid storytelling and character development. Reno's Big Gamble Alicia Barber, 2023-05-19 When Pittsburgh socialite Laura Corey rolled into Reno, Nevada, in 1905 for a six-month stay, her goal was a divorce from the president of U.S. Steel. Her visit also provided a provocative glimpse into the city's future. With its rugged landscape and rough-edged culture, Reno had little to offer early twentieth-century visitors besides the gambling and prostitution that had remained unregulated since Nevada's silver-mining

heyday. But the possibility of easy divorce attracted national media attention, East Coast notables, and Hollywood stars, and soon the Reno Cure was all the rage. Almost overnight, Reno was on the map. Alicia Barber traces the transformation of Reno's reputation from backward railroad town to the nationally known Sin Central—as Garrison Keillor observed, a place where you could see things that you wouldn't want to see in your own hometown. Chronicling the city's changing fortunes from the days of the Comstock Lode, she describes how city leaders came to embrace an identity as The Biggest Little City in the World and transform their town into a lively tourist mecca. Focusing on the evolution of urban reputation, Barber carefully distinguishes between the image that a city's promoters hope to manufacture and the impression that outsiders actually have. Interweaving aspects of urban identity, she shows how sense of place, promoted image, and civic reputation intermingled and influenced each other—and how they in turn shaped the urban environment. Quickie divorces notwithstanding, Reno's primary growth engine was gambling; modern casinos came to dominate the downtown landscape. When mainstream America balked, Reno countered by advertising tax freedom and natural splendor to attract new residents. But by the mid-seventies, unchecked growth and competition from Las Vegas had initiated a downslide that persisted until a carefully crafted series of special events and the rise of recreational tourism began to attract new breeds of tourists. Barber's engaging story portrays Reno as more than a second-string Las Vegas, having pioneered most of the attractions-gaming and prizefighting, divorces and weddings-

that made the larger city famous. As Reno continues to remold itself to weather the shifting winds of tourism and growth, Barber's book provides a cautionary tale for other cities hoping to ride the latest consumer trends.

Congressional Record Index, 1973 Includes history of bills and resolutions.

Timber-Wolf Jackson Gregory, 2023-09-24 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Jackson Gregory Westerns - Boxed Set Jackson Gregory, 2023-12-25 The Jackson Gregory Westerns - Boxed Set is a collection of classic Western novels that embody the essence of the genre. Filled with vivid descriptions of the American frontier, gripping action scenes, and morally complex characters, these stories transport readers to a bygone era of cowboys and outlaws. Gregory's writing style is characterized by its straightforward prose and authentic dialogue, capturing the spirit of the Wild West with precision and depth. The Boxed Set is a valuable addition to any collection of Western literature, providing a glimpse into the timeless appeal of the genre for readers of all ages.

Missouri Roadsides Bill Earngey, 1995 A collection of the linguist's articles on English in Science and Technology (EST) written between 1978 and 1994 and published in different countries. The primary areas of her research are represented here: lexicology and phraseology, text linguistics, stylistics, and diachronic LSP studies. Emphasizing an integrated approach to genre analysis, the articles are unique for the extensive text corpora and the

resulting genre profiles. Annotation copyright by Book News, Inc., Portland, OR
